

```
numerical_algos::lin  
_solvers::bicgstabl::solve
```

```
graph RL; main[main] --> solver[numerical_algos::lin_solvers::bicgstabl::solve];
```

A diagram illustrating a function call. On the right, a white rectangular box with a black border contains the text "main". A dark blue arrow points from this box to the left, where it enters a larger, gray rectangular box with a black border. This gray box contains two lines of text: "numerical_algos::lin" on the top line and "_solvers::bicgstabl::solve" on the bottom line. The entire diagram is set against a plain white background.
