

source/deflation/convergence
_strategy.h

```
graph TD; A[source/deflation/convergence_strategy.h] --> B[cmath]; A --> C[vector];
```

The diagram illustrates a dependency structure. At the top, a gray rectangular box contains the text 'source/deflation/convergence_strategy.h'. Two blue arrows originate from the bottom edge of this box. The left arrow points to a white rectangular box labeled 'cmath'. The right arrow points to a white rectangular box labeled 'vector'. Both 'cmath' and 'vector' boxes have thin gray borders.
