

source/continuation  
/solutions\_storage\_table.h

```
graph TD; A["source/continuation  
/solutions_storage_table.h"] --> B["string"]; A --> C["vector"];
```

The diagram illustrates a dependency or relationship. A gray rectangular box at the top contains the text "source/continuation" followed by a line break and "/solutions\_storage\_table.h". Two blue arrows originate from the bottom center of this box. The left arrow points diagonally down and to the left towards a white rectangular box containing the word "string". The right arrow points diagonally down and to the right towards a white rectangular box containing the word "vector".
