

```
numerical_algos::lin  
_solvers::detail::monitor  
_call_wrap::~~monitor_call_wrap
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box has a light gray background and contains three lines of C++ code. The right box has a white background and contains three lines of C++ code. The arrow is a solid blue line with a triangular head pointing towards the right box.

```
numerical_algos::lin  
_solvers::detail::monitor  
_call_wrap::stop
```
