

gpu_file_operations
::read_matrix

```
graph LR; A["gpu_file_operations::read_matrix"] --> B["host_2_device_cpy"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'gpu_file_operations' on the top line and '::read_matrix' on the bottom line. The right box is white with a black border and contains the text 'host_2_device_cpy'. A dark blue arrow points from the right side of the left box to the left side of the right box.

host_2_device_cpy
